

Health & Safety Loss Prevention Specialist

What you'll be doing

You will be part of a dynamic organization that is committed to providing the highest quality risk management and insurance programs to Rhode Island's cities, towns, school departments, and public sector entities. Our team is responsible for providing loss prevention programs, resources, and training to our Members. You will be our team's subject matter expert in occupational health and safety, and help to promote a positive safety culture, worker and workplace safety, and reduce the frequency and severity of Member claims.

You will be responsible for...

- Conduct site visits to assess risks related to worker and workplace safety, and provide meaningful recommendations, corrective actions, and strategies for improvement
- Promote awareness of and adherence to industry based safe work practices
- Attend and participate in Member Safety Committees, supporting both proactive and remedial safety initiatives
- Develop training programs, awareness campaigns, and resource materials
- Assist Members with accident/incident investigations and root cause analysis
- Analyze industry wide and Member specific risk exposures and loss trends in order to prioritize problem areas and emerging needs
- Provide exemplary customer service to our Members through frequent interactions
- Collaborate with others on the Loss Prevention team and other Trust departments to meet Member needs, and accomplish departmental and organization goals

What you can expect in this role

- Full-time, 35 hours/week, salary
- Travel required within RI to our Member locations, 80%
- The Trust is located in East Providence, RI

What skills & experience we'll need from you

- Bachelor's degree in Occupational Health & Safety, Risk Management, or related field
- ASP, CSP, or related professional designations preferred
- Minimum of 3 years experience in safety, loss prevention, or risk management preferred
- Motivated self-starter with a customer service focus, and proven ability to work effectively both independently and collaboratively
- Strong interpersonal and communication skills
- Strong attention to detail, with proven ability to multi-task, prioritize, and stay organized
- Strong computer skills, with proficiency in Microsoft 365
