EMERGENCY EVACUATION KIT

MAKING A PLAN

MAKE A PLAN

BE INFORMED

Food and Beverage
- Water, one gallon of water per person per day
- Food, at least a three-day supply
- Battery-powered or hand crank radio
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Dust mask, to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Important family documents such as copies of insurance policies, identification and bank records
- Sleeping bag or warm blanket for each person

Tools and Electronics
- Battery-powered or hand crank radio
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Dust mask, to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Important family documents such as copies of insurance policies, identification and bank records
- Sleeping bag or warm blanket for each person

Documents

- Be prepared. Nearly half of U.S. adults do NOT have the resources and plans in place in the event of an emergency. Have enough to be self-sufficient for at least 72 hours.

Medicine and Hygiene

- Additional items for people with disabilities

Clothing and Bedding

- Moist towelettes, garbage bags and plastic ties
- Can opener for food (if kit contains canned food)
- Local maps
- Prescription medications and glasses
- Cell phone with chargers and a backup battery
- Cash or traveler’s checks
- Feminine supplies and personal hygiene items
- Matches in a waterproof container
