YOUR FUTURE IN

Public Entity Insurance Risk Pooling

NLC RISC MUTUAL
MEMBER POWERED PARTNERSHIP

Our member organizations are local government insurance risk pools that serve municipalities in a variety of ways. They do not operate like commercial insurance carriers, where the priority is typically the bottom line. These organizations are member-owned and member-driven. All our members are committed to strengthening communities by addressing their unique risk management and coverage needs.

MEMBER POOLS:

- provide coverage – property, liability, auto, environmental, cybersecurity, medical, employee benefits, and workers compensation
- are financially secure
- are member and public service focused
- employ innovative problem solvers

TYPICAL EMPLOYEE BENEFITS

- Competitive pay
- Generous time-off plans and paid holidays
- Flexible schedules and wellness benefits
- Training and education opportunities
- Collaborative work environment
- Serve diverse local communities
- Commitment to diversity and inclusion

CORE VALUES

IMPACT

Make a difference in your state by helping local communities become safer, stronger, and healthier.

INDUSTRY

Gain technical insurance experience (ex. finance and investment strategy, reinsurance knowledge) while working for a public entity/non-profit/etc.

ADVOCACY

Work on the cutting edge of state and local issues such as law enforcement reform, housing, and mental health.

INNOVATION

Help members tackle unique insurance challenges by developing sustainable solutions.

GROWTH

Build your leadership skills, expand your network, and gain knowledge of issues impacting your community.

CAREERS CAMPAIGN
